The long-dreaded nuclear conflict. The city torn apart, shattered, its people destroyed or mutilated beyond hope. For just a few, survival is possible only beneath the wrecked streets - if there is time to avoid the slow-descending poisonous ashes. But below, the rats, demonic offspring of irradiated forebears, are waiting. They know that Man...

## Reader's Opinions

Post-apocalyptic fiction is one of my favourite genres. The Rats series by James Herbert is one of my favourite series. Put them both together and what do you get? A freaking good read, that's what! A very satisfying ending to the Rats trilogy. By now, you know what you're in for...

And so my journey through James Herbert's early works continues (all be in through the night which may in hindsight might not have been the smartest thing). This concludes what is often seen as the Rats trilogy (as I...
