Reader's Opinions

Original review on Molly LollyFour stars!! havent read any of the other books in the series and I was worried Id be lost or miss things. Im happy to say there was enough information to keep me from being confused. Watching Liam try to deal with Justins family and meeting the parents was heart breaking. He was out of his element but...

ThreeandHalfStarsThis was the first of the four books in this series, but I do feel like it did fall into the category of a standalone. However, some of what made the book lacking to me could be because I didn't have all of the back story to go with it. I can't really say for sure.Liam is a go-go boy (whatever that is) and even after...
