## Reader's Opinions

Colorworld is a new adult paranormal romance about a girl who, after a seemingly innocuous treatment for allergies, discovers that her skin is deadly. People die if she touches them. As you can imagine, this is a pretty life-altering development that throws up many challenges. Wendy...

I normally don't like sci-fi or romance, but this book contained both of those aspects without being overwhelming. Since I don't normally read sci-fi and I'm unfamiliar with energy therapy, I had to re-read certain parts of the book, but it wasn't anything that was too overwhelming or far-reaching. I'm...
