## Reader's Opinions

This is the third novel in Rosalie Larios Demon of Infernum series. This is a fast and exciting series that is highly sensual and full of fun. Ronin is one of four brothers who work for the council...

These have been great stories. As the third in the series, Ronin's story is good. Ronin has so many obstacles to overcome in his story. In the first 2 he spent all his time trying to calm everyone down. Now he has to deal with everything thrown at him and hope he can maintain his family. Lots of twists and turns to this one.
