

THE TUNNEL

This book traces Peter Howard, who was to become one of The Wooden Horse escapers, from his being shot down, through his capture, interrogation and first two POW camps. It gets into the mind of a man determined to escape his captors. It shows that for all the many...

Reader's Opinions

If the title of a novel should be a guide to the reader of its subject then this title will suffice. As the author of the popular The Wooden Horse, Eric Williams is well known as a writer of escape stories. The novel however is about a lot more than digging a tunnel. It is an authentic account of what it...

Same author as The Tunnel (which is, IMO, the better of the two), it is a fairly accurate portrayal of humour when in captivity...not to mention dedication and determination
