

THE EDGE OF HUMAN

K.W. Jeter picks up the tale of Rick Deckard, the 'blade runner' created by Phillip K. Dick and popularized by Ridley Scott's cult classic film. Consistent with the sordid vision of 21st century Los Angeles crafted by Dick and Scott, Jeter creates a stylish piece of thrilling, futuristic suspense that finds Deckard not only in the...

Reader's Opinions

As a big fan of Blade Runner I've always wanted to read these books and find out what might have happened to Deckard after the movie. I have to say I was a little disappointed. Instead of expanding the story we just get a rehash of the movie using the same characters in the same situations - even characters that we thought were dead....
