

RUN WITH THE MOON

Two species that have always kept themselves separated are about to collide and create a new world. Humanity almost managed to do itself in. Ravaged by wars and plagues, the human population on earth has been bordering on extinction, although pockets of people have been forging on over the past few hundred years. It's a hard life, and one Aaron Olsen fears he doesn't fit into. As a son of a village leader, there are pressures on him he can't manage, and things he keeps hidden,...

Reader's Opinions

Great story! Not a typical shifter story. I really enjoyed this story. At first, I wasn't sure about it, I have read many of this author's books though and have liked them, so I figured I would wait and see. I wasn't disappointed. Valen, born an Alpha must leave his pack to start his own. He meets Aaron after he steals Valen's bag. Aaron...

Hot new shifter series This series is set in a post-apocalyptic world where humans and shifters don't interact. Not until Valen meets Aaron. The sparks fly and now it's Valen's brothers' time to find his mate.
