Reader's Opinions

If I could give book 5 ten stars I would...In book 5 we find Echo going to work only to find police cars in front of her candle shop. When she gets a little bit closer, she discovers that the Vice Mayor Fellman, has been murdered inside her friend Carmen Feeney's book store. To make it worse a few days later the whole town gets sick...

WOW this was intenseOutstanding. This one really had me on the edge of my seat the entire time. I thought I had figured out who the killer was but was totally shocked. Many times I just couldn't read fast enough. Bravo.
