## Peek Inside the Book

Men are appalling.. We never really grow up, well not on the inside. It's all just an act. Don't ever trust men, we're dreadful. Enjoy us, use us, abuse us, but never trust us." - HAM Maggie Alderson, Cents And Sensibility //

## Reader's Opinions

This is probably my favourite chick lit book of all time. Light and fluffy, yes, but I love the complex structure of Stella's family and the way she relates to her various parents, siblings, step siblings and semi-steps, as she calls them. Lots of hot guys after her of course, and completely implausible events, but I love it!
