## Peek Inside the Book

What is the boy now, who has lost his ball,...I am not a little boy. John Berryman, Collected Poems, 1937-1971 //

## Reader's Opinions

The collection contains all the poems but The Dream Songs, which are collected separately. I found that this book was a good entry point for reading and understanding Berryman. The edition also offers a descent biography, if , like me you have little knowledge of Berryman and his work.
