Reader's Opinions

This books follows Jeff Sommers Previous book "The Electric Church" and takes place several years after it. This book still has plenty of gun fight and dirty action sequences as the first...

This review has been hidden because it contains spoilers. To view it, click here. I'm calling this a 3 1/2 star book, but I can't actually rate it that way. *POSSIBLE SPOILER ALERT* Though years have passed between The Electric Church and The Digital Plague (in the book), and Avery's situation seems to have changed, the...
