Peek Inside the Book

Children from violent households made great lie detectors because their ability to read people and situations wasn't just a hobby; it was a survival skill. The Laura Griffin, Twisted //

Reader's Opinions

This feels like Shadow Falls-lite. (I know that comes later in the series, but I read it first.) Tara feels like a more-developed Allison and Liam feels like the less-robotic Wolfe brother. Also, once again, the big...

I love the fact that in this series we see the investigation step by step. I liked Allison, she was 27 and the only female detective with something to prove since she's young, female and new to homicide, so despite the fact that no-one believes her about a serial killer she works on it along with the hero, FBI agent Mark who first caught...
