Reader's Opinions

Not sure what to say about Her Arizona Cowboy Brothers, the sex was hot but the story was not. I am not sure if I would personally recommend this book to anyone. The story lack character depth, plot, and imagination. If all youre wanting is hot sex scenes then this is your book. Reviewed by Jimena SilvaDIVA RATING: 2 DivasHEAT RATING:...

Sabrina created a unique world for her cowboy brothers. This is one hot, fun read.
