Reader's Opinions

A fabulous book of style, surviving and sisterhood! My second read of this one and i enjoyed it just as much as i did the first time :)

A story about how success can almost tear a friendshop apart. Three friends who have been through rough times finally find each other after years apart and form a company. But as the saying goes, you should never work with friends or family.It was ok, I didnt hate it but its not one of those books that stays in my mind after I have...
