# THE PLAN-AS-YOU-GO BUSINESS PLAN

The principal author of Business Plan Pro, the country's bestselling business plan software, simplifies the business planning process and reveals how to create business plans that grow with the business. Providing adequate guidance for every situation and every stage of business, readers are trained to ignore the traditional, formal cookie-cutter plans that other business planning resources offer and to focus on tailoring a plan to their company; allowing them to literally...

Reader's Opinions

great and down to earth business advice for those addicted to planning (like myself)

This book was worth a look for any business pro or upcoming entrepreneur.Tim Berry makes a distinction between planning versus a plan. Planning is a vital activity that helps create expectation and purpose for...
