

CINELLI: THE ART AND DESIGN OF THE BICYCLE

A beautifully illustrated survey of more than sixty-five years of work by one of the most pioneering and influential names in bicycle design. Since Cino Cinelli began making frames in Italy in the 1940s, Cinelli has set the standards for bicycle and component design. Cinelli has led the evolution of professional cycling and defined the ideal of the classic bicycle: from the classic Supercorsa...

Reader's Opinions

Great coffee table book with history and photos. Check it out.

Beautiful pictures of superbly crafted bikes and the history of the company, the sport of velodrome and how it's come to be an important part of existing bike culture by collaborating with kids he saw doing things others weren't. If you are a race or design fan this book will keep you engaged.
