

# THE LEFT HAND OF DARKNESS

Genly Ai is an emissary from the human galaxy to Winter, a lost, stray world. His mission is to bring the planet back into the fold of an evolving galactic civilization, but to do so he must bridge the gulf between his own culture and prejudices and those that he encounters. On a planet where people are of no gender--or both--this is a broad gulf indeed. The inventiveness and delicacy with which Le Guin portrays her alien world are...

## Peek Inside the Book

To be an atheist is to maintain God. His existence or his non existence, it amounts to much the same, on the plane of proof. Thus proof is a word not often used among the Handdarata, who have chosen not to treat God as a fact, subject...

I am the original author of this essay, as well as the owner of CCLaP; it is not being reprinted here illegally.)The CCLaP 100: In which I read for the first time a hundred so-called "classics," then write reports on whether or not they deserve the...

They say that The Left Hand of Darkness is a landmark in the field of science fiction literature. Albeit such typecasting seems to be unfair simplification and trivialization since that novel goes much further and deeper than any other of that genre. In view of her interests including cultures, ecology, anthropology, Zen philosophy...
