

# THE COST OF COURAGE

This heroic true story of the three youngest children of a bourgeois Catholic family who worked together in the French Resistance is told by an American writer who has known and admired the family for five decades. In the autumn of 1943, André Boulloche became de Gaulle's military delegate in Paris, coordinating all the Resistance movements in the nine northern regions of France only to be betrayed by one of his associates, arrested, wounded by the Gestapo, and taken prisoner. His sisters carried on the fight...

## Peek Inside the Book

(If I want, when I want), Christiane campaigned for the legalization of both. In 1967, the Neuwirth Act finally legalized the sale of contraceptive devices, but abortion wasn't legalized until 1975, and advertisements for contraceptives remained banned until 2001, four decades after the pill was introduced in America. Charles Kaiser, The Cost of Courage //

## Reader's Opinions

This is probably 3 1/2\*. Moving tale of one young man in France joining the Resistance. He had a brother who tried to live a normal life. And he hadn't involved his parents or sisters in his work. However, his sisters decided for involvement on their own. However, he was betrayed and was injured. Determined to escape, despite his injuries....

Felt I was misled in what to expect and was disappointed. I felt there should have been more focus on the resistance activities of the Boulloches, especially since Christiane's story is now available.
