## Peek Inside the Book

It looks hard," said Michael. "Not squishy like poop. Gary D. Robson, Who Pooped in the Park? Yellowstone National Park //

## Reader's Opinions

My toddling son loves this book. Great read, either at home or out in the wild. Lovely illustrations. I hear the author runs a cool bookshop a ways outside the park's northeast entrance, in Red Lodge, MT, too.

My kids really love this book and ever since we have been reading it they are interested in identifying animal scat and animal tracks. Cute book.
