## WHISPERED WORDS

A casualty of funding wars and an overzealous Defense Department trying to clean up its reputation after several failed experimental programs, the Psychic Warfare Program (PWP) is scrapped in its infancy. Its participants are transferred to other defense agencies, but a few decide to leave the government behind, knowing full...

Whispered Words: A Power Up! Story by Marie Harte led me once again into the PWP world. Chloe finds she must leave on hiatus to find her voices, the ones that have quieted while formulating a plan to stay one step ahead of a stalker trying his best to assassinate her. During her travel she runs into two men whove helped her before, Xavier...

3 Stars Like its predecessors in the Power Up! series, "Whispered Words" was an enjoyable and quick read. Once again, it was really the three main characters that made this...
