

X-FACTOR: INVISIBLE WOMAN HAS VANISHED

X-Factor has relocated back to NewYork, and their first client is a keeper: Franklin Richards, whose mom has disappeared and who figures that the premier detective agency in the Marvel Universe has the best chance of finding her. Except Reed Richards doesn't seem especially cooperative in helping them locate his missing wife. What is he hiding, and does it have anything to do with...

Reader's Opinions

i just love this series. i really do.

I have been loving X-Factor so far. This was pretty meh. Maybe it's just me, but every time the FF make a cameo in someone else's story, it's a total drag. But Rictor and Shatterstar's arc, along with Madrox/Layla in the future made this absolutely worth reading.
