Reader's Opinions

It's easy being cheesy!(Full disclosure: The publisher sent me a free copy of this book for review at my request.)Vegan cheese! No two words in the English language are able to arouse the excitement, the vociferous debate, the unbridled passion of vegans quite like "vegan..."

Thank you to Da Capo Press for giving me the opportunity to read and honestly review this book, and for getting it to me a bit in advance of publication. Im always excited by new vegan...
