

A DAY AT THE OFFICE

Set in urban Scotland in the nineties, R.A. Jamieson's third novel, an experimental 'soapoperama' covers a day and a night in the life of a nameless narrator who conjures out of his existence the interlinked stories of three young people - Ray, Helen and Douglas. The drama centres on the character's varying involvement with the drug world and explores the legacy of the sixties...

Reader's Opinions

An unloved and neglected experimental novel the Dalkey Archive should clamour to republish at once. An unnamed man in an office describes the lives of three intersecting characters, punctuating his narratives with free verse poems and musings much like a Scots Book of Disquiet. Ray is a dole-scrounging drug pusher waiting for something...
