

# RIPE FROM AROUND HERE: A VEGAN GUIDE TO LOCAL AND SUSTAINABLE EATING

Praise for jae steele's Get It Ripe: "This book is less a cookbook than an all-in-one guide to healthy vegan living, for which steele's holistic-nutritionist training is put to good use." —VegNewsGet It...

## Reader's Opinions

I loved the recipes in this book, and the general realistic locavore advice.

Honestly, I love this lady! She was so knowledgeable and exposed me to some important information that I had no idea about! I like the recipes but I wish there were more pictures. This book really needed some food-porn shots!
