

# BLACK MOUNTAIN

Alex Hunter, code named Arcadian, wakes up with no knowledge of who he is, in the care of a woman he doesn't recognise, in a country not his own. But there is a calling deep within him, to return home to Black Mountain. Formed a billion years ago, the Appalachian's Black Mountain hosts a terrible legend. Only one elder...

## Reader's Opinions

This has to be my least favorite book in the series. I do realize that a certain amount of narrative has to played out and that not every book in the Arcadian series has to revolve around call signs, complex missions, state of the art weaponry and combat, but this book didn't even seem like it was written by Beck...until the end. There...

As a continuation of the Alex Hunter series, this book really holds up and it seems like I could not turn the pages fast enough. I was enthralled from the start and really enjoyed all the history and back story that was going on - though a few times I thought there were...
