

A WALK AFTER DARK

The beast must be fed; that's the cardinal rule of sanity for a brethren wolf. Raphael's beast has gone too long without, and if Miranda can't give her body to his beast, she and her village will die by its claws.[Publisher's Note: This book contains explicit sexual content, graphic language, and situations that some readers may find objectionable: Anal sex, homoerotic sex, m/f/m menage, sex while in shifted form, violence.][Previous Book: A Walk in the Woods]
