

THE BRIGHT AND THE DARK

Ten years have passed since the end of Confidence Game. In Biora, Tod has found himself repairing the old books left by scholars three centuries ago. These books are valued in Dabion, but in Biora itself they are little more than curiosities, and most of its people cannot even read the books that are so prized outside its borders. Biora has become a land of unending violence, where men are destined to be...

Reader's Opinions

It was good. I had a little trouble getting into it. Some confusion with following multiple story lines. It might've helped if I could've read more of the story at a time. It might also have helped to read the first in the series before this book.
