

NARCOLAND

The product of five years' investigative reporting, the subject of intense national controversy, and the source of death threats that forced the National Human Rights Commission to assign two full-time bodyguards to its author, Anabel Hernandez, "Narcoland" has been a publishing and political sensation in Mexico. The definitive history of the drug cartels, "Narcoland" takes readers to the front lines of the "war on drugs," which has...

Reader's Opinions

Anabel Herndnez's Narcoland (Los seores del narco) is exactly the kind of book the phrase "hard hitting journalism" was coined for. This expos of the Mexican drug trade and just how much it has corrupted the country's police and government has as its central thesis the claim that the federal government has long favored "El Chapo" Guzm...

This remarkable book almost reads like the reporter's notebooks on which it is presumably based. At first the disjointed story, which jumps from the present day, to the 1990s, and back again, is confusing and disconcerting. Gradually, though, the forensic detail becomes fascinating and draws you in, as you learn more and more...
