

C. G. JUNG'S PSYCHOLOGY OF RELIGION AND SYNCHRONICITY

The unique contribution of this work is essentially threefold. First, it provides a theoretical framework for the study of synchronistic phenomena--a framework that enables us to view these phenomena in relation to Jung's model of the psyche and his concept of psychic compensation. Second, this book explores the...

Reader's Opinions

I would have given this book 6 stars if I could! This book is a must on your shelf if you are a student of Carl Jung, or if you aspire to understand synchronicity. Along with a very clear outline of the theory of synchronicity, Aziz includes many intriguing personal stories about Jung and his experiences with...
