

FOR LOVE AND GLORY

Lissa, a human Earth woman, and her partner, "Karl," a giant alien academic who resembles a Tyrannosaur, are interstellar archaeologists investigating the remote and uncharted planet Jonna. There, they seem to have hit the jackpot. For on that distant world they've discovered an immense artifact that may have been left by the mysterious beings called...

Reader's Opinions

This is clearly a set of two stories that were combined after Anderson's death into one (supposed) novel. I am not too sure of whether the second story was indeed completed by Anderson himself, since the thought process of Earth being involved with the Forerunners is only starting to be developed. Also,...

Terrible sexist soap-opera garbage. If it was the first sci fi novel I'd read, I might have stopped there!
