

# USEFUL IDIOTS

Set in a highly realistic dystopic future, where the lowlands of Britain are flooded, this beautifully realised novel explores a world where archaeology is controlled for fear of social unrest. One bleak morning, a storm across the North Sea unveils a human skull, which leads...

## Reader's Opinions

This was discarded from the library but I grabbed it to read. It seemed a little out of place in YA. Might have seen more use in adult SF collection. Very interesting world-building but it got so complicated with political plots and nefarious doings that I was left confused and unsatisfied. I was never sure who was in the right at the...

This book haunts me...I don't know why, but I feel like I should have liked this book, but ... meh.
