## Reader's Opinions

Here's a new twist on the typical vampire story. What happens to a vampire in a post-apocalyptic world? If he wants to survive, he learns to work with humans and he develops a conscience.

Vampire Winter is kind of a crazy book. Its an apocalypse story, but its told mostly from the point of view of a vampire. And hes not a sparkly vampire either. Hes been killing people for years when all of a sudden he wakes up to find the world is very cold and very dark after a nuclear attack. Since the sun is deadly, hes actually...
