## Peek Inside the Book

I should think I'm going to be a perpetual student. Anton Chekhov, The Cherry Orchard //

We just philosophize, complain of boredom, or drink vodka. It's so clear, you see, that if we're to begin living in the present, we must first of all redeem our past and then be done with it forever. And the only way we can redeem our past is by suffering and by giving ourselves over to exceptional...

## Reader's Opinions

This play is one of the most desperately sad things I have ever seen. It is a portrait of a family struggling in a period where old and new Russia are scraping up against each other in a way that is physically painful to watch. I saw a performance...

It's true what they say. Chekhov's got guns! This is a great play about the decline of the Russian aristocracy, its implications for the working class rising to fill the vacancies left by those cash-stricken families, and the complications propagated by these changes, namely the social inadequacies of those who get sucked into this newfound
