Peek Inside the Book

She pretended not to notice the look of longing in his eyes. It didnt mean anything. Kevin O'Brien, Watch Them Die //

Reader's Opinions

This novel is filled with plenty of guilty-looking characters that keep you on your "whodunit" toes. Here's what distracted me. The novel was written in 2003 and I read it in 2014. I kept getting reminded of how much the world has changed when the author talked about video tapes, video stores (which have almost become extinct these...

I LOVED this book! I am 13 and i just got drawn into the book as soon as i picked it up. The plot of this book took me by suprise. Th is is a great book to read with the lights on! I would not reccomend reading it alone and in the dark....
