

DEAR FISH

What happens when the creatures of the sea take Peter Alan up on his offer? Something fishy, of course! At first, their visit is all fun and games, but then, things really start to get out of hand? Watch out for a bucking bull shark at the rodeo, the invasion of a slimy school of fish, and many other playful pictorial puns hidden in these striking, surrealistic illustrations. An endpaper identifying over 30 species of fish appearing in the...

Reader's Opinions

Cool, modernist illustrations. Funny story with an ending that allows students to wonders what happens next.

I am giving this a 5 star rating, because I believe the 2 year old would rate it 5 stars. I found it less so, but the 2 year old had me read it to him 5000 times. He could not get enough of this book and can identify every kind of fish in it. Cute story.
