## Reader's Opinions

I was auto approved for this book on Netgalley in exchange for an honest review. This is the first in a new series called A Town called Christmas, set on Juniper Island, but it's not the first I've read by this author, I've loved...

Oh how I enjoyed this book. Romance, Christmas, nutty animals and lots of chocolate abound aplenty. I really would like to visit Christmas town seems idyllic. I knew Holly would not disappoint with this story. Looking forward to part 2.
