

DANGEROUS COMPANY: MANAGEMENT CONSULTANTS AND THE BUSINESSES THEY SAVE AND RUIN

This is an alternate cover ed. for ISBN 0140276858. As the millennium approaches, management consultants have become ubiquitous--and extremely powerful. Often using secretive methods and usually drawing huge fees, they regularly make decisions that might affect thousands of people and cost billions of dollars. But are they ultimately worth the upheaval they can cause? In the first detailed examination of this incredibly influential industry, *Dangerous Company*:

Reader's Opinions

Interesting look at how the management consulting industry grew with good case studies. Clearly biased against consultants with much of the blame directed towards them for falters
