

ACCESS DENIED

Blush: This is a suggestive romance (love scenes are not graphic) In Sanctuary the Committee controls everything, food, healthcare, housing, information and even love. The Committee's life guides match the single residents for three-month compatibility assignments. Everyone gets ten chances to find true love or at least an acceptable partnership. There is something special about Leah Bradley. She has the unique ability to reach out and really connect with the people in her life, but if she's so special why is she facing her seventh assignment? From the...

Reader's Opinions

The story takes place some place where humans have to escape Earth in the future. I did not get if they left Earth its self by going underground or if they went to another planet. Only a select few were allowed to join this colony and the rest of Earth died. It is a sad story about a woman overlooked...

I didn't particularly care for any of the characters and didn't feel the emotion between them. I'm not even sure how I made it to the end - I actually stopped reading about 10 pages from the end and just went back and finished it now, weeks later. I don't think I've ever done that before.
