

THE WHISTLER

From Angola, a country riddled with civil war and its aftereffects for the last 30 years, comes a surprising story of hope, passion, and magical realism from a groundbreaking, young African novelist. A young man arrives at the church of a small African village and starts whistling so beautifully that the priest is...

Peek Inside the Book

The elders say- difficult to prove- that winged creatures also dream. The birds are lovers of heights, always searching out landing spots, never constant here at the foot of the human race. 'It's that they discovered a magical advantage...' they say, 'the sound of silence.' At the foot of the clouds the raindrops come earlier, it's...

The endlessness of the extent of that whistle resulted, without a doubt, also in an enormous metaphysical knowledge of the art of whistling, which mingled, not just with the hearing of people, but extended, in an incisive manner, to the depths of their souls, the protected corner...
