

# DARK WATER

Debut author K.L. White takes readers into the watery depths of the Celtic Otherworld in this male/male paranormal romance. The magnificent Kelpies who haunt the waters, shape-shifting from horse to human, are disappearing into legend. Their numbers are dwindling, and they must take a human sacrifice twice a year to survive. So when Rez, a Kelpie stallion and former navy officer, spots a desperate man about to offer himself...

## Peek Inside the Book

You're so much more than I deserve, than I dared to want. This isn't about saving me, is it? It's about saving you too. K.L. White, Dark Water //

They kissed. For hours or seconds. They floated as Benjamin built the pleasure and the sweetness. It became a life raft that they both clung to K.L. White, Dark Water //

## Reader's Opinions

4 Stars Dark Water by K.L. White. I really enjoyed this one. From the unique world building to the character interaction this one was a joy to read. I look forward to reading more by this author

\*A copy of this book was provided for free by the author in exchange for an honest review.\*This was an interesting read. I'm not quite what I think of it really. I liked it, but there's something missing. I liked reading about an atypical creature. The kelpie angle was fresh and different. I would've like more of that aspect though....
