

THE TIME KEEPER

From the author who's inspired millions worldwide comes a compelling fable about the first man on Earth to count the hours. The man who became Father Time. In Mitch Albom's newest work of fiction, the inventor of the world's first clock is punished for trying to measure God's greatest gift. He is banished to a cave for centuries and forced to listen to the voices of all who seek more days, more years. Eventually, Father Time...

Reader's Opinions

For a man so seemingly pre-occupied with how little time we have on Earth and how we tend not to appreciate this amount of time, Albom ironically spends almost no time at all delving into the interiority of his characters beyond the cliché. Dor is an interesting character on paper, but so little is put into why he has this desire to...
