

THE EMPEROR'S RAILROAD

Global war devastated the environment, a zombie-like plague wiped out much of humanity, and civilization as we once understood it came to a standstill. But that was a thousand years ago, and the world is now a very different place. Conflict between city states is constant, superstition is rife, and machine relics, mutant creatures and resurrected prehistoric beasts trouble the land. Watching over all are the silent Dreaming Cities. Homes of the angels, bastion outposts of heaven on Earth. Or so the church claims. Very few go in,...

Reader's Opinions

The Tor novella series has been pretty reliable this year. I haven't liked all the ones I've read, but of the ones I did like, I liked them quite a bit. I'm usually hesitant to read shorter works, since I don't always feel like they have enough time to develop plots and characters enough, but I also believe that a work should only be...

There's a short story's worth of plot, but the main thing here is extended post-holocaust world building--- the author seems more intent on establishing a setting than telling a story.
