

# A FEAST OF FREEDOM

While visiting cannibals on a small South Pacific island, the Vice President of the United States gets into a stew - literally - causing an international incident that only Leonard Wibberley could concoct. A Feast of Freedom is a brilliant spoof of international affairs - an irresistible blend of humor and satire that is as delightful, as timely, and as deliciously cunning as The Mouse That Roared.

## Peek Inside the Book

Tribal Chief 1: The will of the people is what is best. That is what democracy means Tribal Chief 2: But if the people dont know what they are talking about, how can that be the best? Leonard Wibberley, A Feast of Freedom //

World opinion, though sharply divided on nuclear tests and the risk of atmospheric pollution, could congratulate itself on being united in its opposition to cannibalism. No country in the world was prepared to support the custom of eating the dead, though the...

## Reader's Opinions

Farcical and fantastic.

This review has been hidden because it contains spoilers. To view it, click here. An amusing and well-told satiric tale taking place in 1970. The story involves a Pacific island...
