Reader's Opinions

what a powerful book i have ever read.seductive and romantic at its best i can read over and over again i would like to own one 1 day

As my exams are coming close, I can't post long reviews. Therefore a very short one---" I liked the story. The excerpt says all, the author is neither fast nor too lingering while telling the story. The hero, Sloan and Heroine, Heather are definitely likable. The end is great. I even like the side characters."Four.Five stars!
