## Peek Inside the Book

You are all desperate for purpose, even though you dont have one. Youre animals, and animals dont have a purpose. Animals just are. And there are a lot of intelligent - sentient, maybe - animals out there who dont have a problem with that. They just go on breathing and mating and eating each other without a second thought. But the animals like you - the ones who make tools and build cities and itch to explore, you all share a...

You understand why that is. I dont require participation in order to be enjoying myself. Company and interesting input. Thats all I need. He Becky Chambers, *A Closed and Common Orbit* //

## Reader's Opinions

Yes, I cried a little in the book! That's what I do people! Don't judge me! Lol, it was a good cry though =) I loved the first book and I loved this one too. Holy crow! This book starts off when Pepper and Lovey leave the Wayfarer together. Lovey is in an AI body and is not real happy because that's a lot to get used to...

Another really unusual sci-fi story from Becky Chambers. Like her first book, you don't need to be a sci-fi enthusiast to enjoy this tale. It is a novel about life - human, alien and artificial - and what motivates it. Like the first book in this series, it examine interspecies relationships, tolerance and accommodation. This...
