

I WAS HANNAH: NEW ADULT JEWISH FICTION

"I looked up. Now he was staring at me, looking past that veil between him and the forbidden realm. I saw his eyes. Never had I seen them so close up. They were unusual and beautiful, their color reminding me of the jar of honey my grandmother used to leave on the kitchen windowsill to...

Reader's Opinions

This review has been hidden because it contains spoilers. To view it, click here. I loved this book I would recommend it to anyone who is interested in Judaism a word of warning being that it is set during the holocaust some parts of the book are quite graphic at the end of the book it says to be continued does anyone know about the...
