

SEVEN CONQUESTS

7 harrowing stories of men caught up in tomorrow's age of ultraviolence *Kings Who Die* evokes the special terrors that confront spacemen captured in interplanetary war. *Wildcat* chronicles a desperate attempt to send a team of men through a time machine back into the age of brontosaurus—there to prospect for oil and pump it back into the present. *Cold Victory* depicts the holocaust of an interplanetary civil war fought to prevent Earth's secession from the Solar Union. *Inside Straight*...

Reader's Opinions

Nice collection of a handful of short stories by my favorite author. All have the theme of conquest and war, and why man fights. I get the impression that some of the stories in this collection are kind of obscure; I certainly had not read any of them in any of the other Anderson anthologies I have.

This is a collection of stories on the same theme -- the theme of war, and well, obviously, conquest. That can get a bit samey, reading them in one sitting, but it's an interesting collection (each with a short introduction by the author explaining the germ of the story idea). Some of...
