Reader's Opinions

5 STAR book nothing less!It's an incredible real account of business life of a real person with a real business. If you have a business you will appreciate this book even more....

A surprisingly enjoyable book, considering the subject matter! I wasn't expecting to be entertained by this, but I was. And don't take this as a suggestion that you'll be entertained. Because I'm currently trying to get my own small company off the ground, I am in a situation where I can...
