

SUPERMAN, VOLUME 4: PSI WAR

The Queen of H.I.V.E. (Holistically Intergrated Viral Equality) has placed the telepathic Dr. Hector Hammond's thoughts deep into the recesses of Superman's mind in an effort to control the Man of Steel. The merging of Hammond and the Superman's minds brings about vivid hallucinations that cause Superman to experience different realities and view longtime allies as potential threats. With the Man of Steel unable to tell what is real and what is a hallucination, it is up to Orion of the New Gods and Wonder Woman to...

Reader's Opinions

OK, talk about strange twists and villains. Superman finds himself a bit over his head in regard to psychic villains who are trying to take over Metropolis and then the world. Plus there is the issue of Lois Lane, Wonder Woman, and his not-so-secret identity. All that action ends in a cliff-hanger. Just waiting for next volume!
