

RIVER THUNDER

Jessie, Troy, and the rest of the crew from Downriver have returned to the Grand Canyon for adventure down the Colorado River. In the year since they last were together, each has changed; each feels more mature. But how will they interact now that they are facing new challenges--challenges greater than anything they've had to deal with at home? For Troy, it is a chance...

Reader's Opinions

Great sequel to Downriver! There are not that many adventure novels with female leads that aren't in the fantasy genre- but this and Downriver are great ones! The one issue I had with this one is that there are some technological references that really date the book- which is too bad b/c I was actually thinking that this book was "timeless"...

Not as good as the first one.
